The information and resolution contained in ticket number 8006522770 are being forwarded to our DLA legal counsel and Fraud Counsel. If they have further questions regarding your case then someone will contact you. The DLA CAGE Office cannot comment on what action you need to take when you already have a civil court case and the FBI involved.

This DUNS number has expired in the SAM system in February 2020. You would need to contact GSA and have them give you steps on how to prevent Mr. Saenz from having continued access to the registration and data contained within. Their helpdesk is the Federal Service Desk - 866-606-8220, <https://www.fsd.gov/fsd-gov/home.do>.

To: Mary Nigg [REDACTED]

Hi Mary,

Thank you for the response. Unfortunately, I have not heard back from the FSD, it's been over 2 weeks now, and I regularly follow up. I was however contacted by a Sam.gov employee. I have a full recorded phone call with her telling me that a 56 page document that you sign when signing up for Sam.gov is not a contract, it's an agreement(no difference), and that Sam.gov is not responsible for any fraudulent claims people make.

This has now come to the point in which my civil rights are being violated under the color of law, and I will be going forward with filing a civil rights complaint with the Department of Justice, Monday Morning July 6th, 2020. Mary, you were very kind, helpful, and took this very seriously, and I thank you for that.

Please pass this along to anyone that may be able to help the department of justice investigate this fraud against me, my company and the gov., investigate my civil rights have being violated, and investigate the discrimination and abuse I endured for 45 minutes on a recorded phone call with Sam.gov.

I will be happy to provide all correspondence and the audio and video recording I am speaking of.

Respectfully,
Jonathan Villarreal
